

# Sunday School 2024

**Sunday mornings the children start off at worship service and are released to Sunday School at 9:45 am until the service has ended.**

Praise the Lord! Our Sunday School program has been growing every week and we can use your help to keep things on track. We are moving on to our new theme of forgiveness, and you can see all of our topics for the year by viewing the bulletin board in the fellowship hall titled, "What is happening Sundays 2024." The children decided that they would like to host a Spring Art Show, so expect to see that on display and replacing our "Love" bulletin board in the coming months.

Please consider signing up to assist in the Sunday School or Nursery program on Sunday mornings for just one Sunday over the coming months. As a test, I have created a weekly signup on Signup Genius for the months of May & June, and the link is included below.

All activities and curriculum are provided & you are not required to cover anything for Children's Time in the sanctuary. If you prefer, you can talk to Karen directly about assisting. Our goal is to have 2 adults and 2 youth each Sunday so that we can divide into smaller groups for more age-appropriate activities, if required. Karen will hold a brief introduction to the Sunday School & Nursery program with an informational session on Sunday, April 14, 2024 at 11 AM for those that are interested (children are welcome to join us). Please contact Karen Hendrickson for any questions ([karencfi@att.net](mailto:karencfi@att.net) or 301-379-3008).
